DAVIS JOINT UNIFIED SCHOOL DISTRICT
APPLICATION FOR APPOINTMENT

Task Force to Close Achievement Gap

The district is anticipating a substantial number of applications to the task force. Due to its limited size, the task force will be supported by several advisory subcommittees that will play a significant role in the process. The district encourages applicants to consider serving on one of these advisory subcommittees, if they are not named to the task force. The direction of the advisory subcommittees will be determined by the task force.

Please check all of the boxes that correspond to your interest.

- I'm willing to serve on the task force and understand the high level of time that needs to be committed to this work. I also understand that another person will be appointed if I miss three meetings.
- I'm willing to serve on an advisory subcommittee to the Task Force reflecting my expertise and skills. I understand that this is less of a time commitment than serving on the task force.
- I'm sorry I'm unable to serve on either of the groups at this time, but please keep me informed so that I may attend the public meetings.
