The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) Web site at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

II. About This School

School Description and Mission Statement (School Year 2008-09)

This section provides information about the school, its programs and its goals.

The parents, students, and faculty at Emerson Junior High School are committed to the pursuit of excellence in all curricular and co-curricular endeavors, to the development of intellectual curiosity, and to the cultivation of individual abilities and talents in a supportive environment, where respect for individual and group differences and for the rights of others guide behavior.

With our dual focus on high expectations for academic achievement and on nurturing developmental needs, Ralph Waldo Emerson Junior High School provides a holistic approach to education for all students. We integrate our GATE students into an accelerated academic core program in which GATE and High Achieving Students participate, and we are a magnet school for the district's Spanish Immersion Program, which provides opportunities for students to become bilingual and bicultural. Instructors bring both competence and heart to their work.

This year our enrollment is at an all time low of 492 due to our district-changed attendance boundaries to accommodate a third junior high school. This provided some challenges to programming, but we continue to offer rich educational opportunities for all students. We continue to offer an outstanding student leadership program, a "Respect for All" diversity program, and an expansive Garden-Based Instruction program that utilizes the Emerson Garden for integrated, hands-on experiences.

Emerson continues to perform in the top ten percent of schools in California. The school works hand in hand with the Site Council and the PTA to maximize the school's programs and continue to provide support to the students and the staff. We welcome the participation of parents on our campus and in our school. Without them we would not be able to provide the full circle of the holistic approach that we support and value.

Opportunities for Parental Involvement (School Year 2008-09)

This section provides information about opportunities for parents to become involved with school activities.

We ask parents to participate in our school's formal structures through the PTA, the School Site Council (SSC), the School Climate Committee, and the English Language Advisory Committee (ELAC). The PTA collaborates on school issues and supports teachers and students through fund-raising. The SSC helps develop and implement the school improvement plan and allocates State funds to meet identified goals. The School Climate Committee focuses on human relations. ELAC parents represent our second-language students. We, also, invite parents to participate on short-term committees, such as Facilities Modernization, or on interview panels during teacher hiring. In addition, the PTA requests parent volunteers for a number of school needs throughout the year, including chaperoning our field trips and dances.

Emerson parents are enthusiastic and passionate about participating in any way necessary. Interested parents can contact Principal Priscilla Via for more information about becoming involved.

Student Enrollment by Grade Level (School Year 2008-09)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students
Grade 7	155
Grade 8	173
Grade 9	163
Total Enrollment	491

Student Enrollment by Group (School Year 2008-09)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
African American	3.87 %	White (not Hispanic)	69.04 %
American Indian or Alaska Native	0.61 %	Multiple or No Response	0.20 %
Asian	10.39 %	Socioeconomically Disadvantaged	12.00 %
Filipino	1.02 %	English Learners	8.00 %
Hispanic or Latino	14.46 %	Students with Disabilities	5.00 %
Pacific Islander	0.41 %	N/A	N/A

Average Class Size and Class Size Distribution (Secondary)

This table displays, by subject area, the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Subject	2006-07				2007-08				2008-09			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms

III. School Climate

School Safety Plan (School Year 2008-09)

This section provides information about the school's comprehensive safety plan.

Emerson annually reviews the school safety plan, which outlines procedures and guidelines for emergencies. Teachers discuss the plan with students early in the school year. All visitors must sign in at the front office, and staff is vigilant about reporting unknown persons. In addition, we hold fire drills and a safety week every year. During the safety week, we dedicate each day to a specific emergency procedure and practice drill. We hold debriefings to determine how all parts of the system effectively responded to the procedure. In addition to the plan, classrooms have a color-coded listing of expected procedural responses for the different types of emergency situations which could occur.

Emerson has a closed campus. One full-time supervisor monitors school grounds. There is also a part time person, who also assists with lunchtime supervision. Certificated staff members supervise designated areas during first period, eighth period, and after school.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
Suspensions	8.4	11.2	9.8	8.4	7.0	5.9
Expulsions	0.2	0.0	0.2	0.1	0.1	0.1

IV. School Facilities

School Facility Conditions and Planned Improvement (School Year 2009-10)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Ralph Waldo Emerson Junior High school is in good repair, according to the criteria established by the Office of Public School Construction. Facility deficiencies are minor ones resulting from common wear and tear, and there are few of them. Emerson scored between 85 and 97 percent on the 15 categories of our evaluation.

School Facility Good Repair Status. (School Year 2009-10)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	—	✓	—	—	A-8 Vent cover missing. wo issued to repair .
Interior: Interior Surfaces	—	—	—	✓	Stained/missing/damaged ceiling tiles throughout campus. Kitchen ceiling requires repair. Peeling walpaper various areas throughout site. Paint repair A-2 & MPR. Wall repair A-5, Alt. Learning Ctr, B-5. Work orders issued to correct.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	—	✓	—	—	
Electrical: Electrical	—	—	—	✓	All required repairs completed 6-23-09.

Structural: Structural Damage, Roofs	—	✓	—	—	Library--dry rot in beam. C-9--dry rot, missing board. Possible roof leak B-2. Work orders issued to correct.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	—	✓	—	—	Tree roots pushing up asphalt in parking lot. Tennis courts cracking. Work orders issued to repair.
Overall Rating	—	✓	—	—	

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2006-07	2007-08	2008-09	2008-09
With Full Credential	30	28	27	438
Without Full Credential	0	1	0	4
Teaching Outside Subject Area of Competence	1	0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2007-08	2008-09	2009-10
Misassignments of Teachers of English Learners	4	4	1
Total Teacher Misassignments	0	0	1
Vacant Teacher Positions	0	0	0

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2008-09)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	98.9	1.1
All Schools in District	99	1
High-Poverty Schools in District		
Low-Poverty Schools in District	99	1

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2008-09)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2.0	245
Library Media Teacher (Librarian)		N/A
Library Media Services Staff (Paraprofessional)		N/A
Psychologist		N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist		N/A
Resource Specialist (non - teaching)	3.0	N/A
Other		N/A

VII. Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2009-10)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and/or Instructional Materials
Reading/Language Arts	These text materials are aligned with state content standards and officially adopted for use in the classroom.	0
Mathematics	These text materials are aligned with state content standards and officially adopted for use in the classroom.	0
Science	These text materials are aligned with state content standards and officially adopted for use in the classroom.	0
History-Social Science	These text materials are aligned with state content standards and officially adopted for use in the classroom.	0
Foreign Language	These text materials are aligned with state content standards and officially adopted for use in the classroom.	0
Health	These text materials are aligned with state content standards and officially adopted for use in the classroom.	0
Science Laboratory Equipment (grades 9-12)	The district has adopted resolutions to define "sufficiency" and verifies there is a sufficient supply of materials and equipment to conduct labs in all science courses with the exception of 8th Grade Science Chemistry/Physics.	0
Visual and Performing Arts	These text materials are aligned with state content standards and officially adopted for use in the classroom.	0

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2007-08)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic/ Unrestricted)	Average Teacher Salary
School Site	\$9,237.00	\$1,767.00	\$7,470.00	\$69,518.00
District	N/A	N/A	\$6,462.00	\$63,809
Percent Difference – School Site and District	N/A	N/A	15.60 %	8.95 %
State	N/A	N/A	\$5,512	\$64,246
Percent Difference – School Site and State	N/A	N/A	35.52 %	8.21 %

Types of Services Funded (Fiscal Year 2008-09)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

In 2008-09 Emerson Junior High School received categorical funding and services through the following federal, state and local resources: Title II Professional Development; Title II Class Size Reduction; Foreign Language Acquisition Program Grant; English Language Acquisition Program; School Safety and Violence Prevention; Tobacco Use Prevention Education; Arts, Music & Physical Education Block Grant; Career Technical Education; Secondary School Counselors; Economic Impact Aid – Limited English Proficiency; School and Library Improvement Block Grant; Site Discretionary Block Grant; Davis School Arts Foundation and parcel tax funding.

Teacher and Administrative Salaries (Fiscal Year 2007-08)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$35,081	\$40,917
Mid-Range Teacher Salary	\$55,886	\$64,688
Highest Teacher Salary	\$77,965	\$82,849
Average Principal Salary (Elementary)	\$102,403	\$102,130
Average Principal Salary (Middle)	\$108,999	\$108,050
Average Principal Salary (High)	\$115,793	\$117,805
Superintendent Salary	\$201,760	\$176,845
Percent of Budget for Teacher Salaries	42.30 %	40.30 %
Percent of Budget for Administrative Salaries	6.30 %	5.90 %

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics, and science in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA and mathematics for grades three through eight and science in grade five and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf>. Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09

California Physical Fitness Test Results (School Year 2008-09)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	0.0	0.0	0.0
7	13.4	40.1	38.2
9	10.8	27.8	53.8

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of

Ralph Waldo Emerson Junior High 2008-09
School Accountability Report Card

schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2006	2007	2008
Statewide	10	10	10
Similar Schools	5	5	5

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note, "N/A" means that the student group is not numerically significant.

Group	Actual API Change			Growth API Score
	2006-07	2007-08	2008-09	2009
All Students at the School	4	-7	-53	830
African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino				708
Pacific Islander				
White (not Hispanic)	-2	5	-57	858
Socioeconomically Disadvantaged				
English Learners				
Students with Disabilities				

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2008-09)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	No
Percent Proficient - English-Language Arts	Yes	No
Percent Proficient - Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	Yes

Federal Intervention Program (School Year 2009-10)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status		Not In PI
First Year of Program Improvement		
Year in Program Improvement		
Number of Schools Currently in Program Improvement	N/A	1
Percent of Schools Currently in Program Improvement	N/A	6.3

XII. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

All certificated staff are provided three days of professional development each year.

XIII. National Assessment of Educational Progress

National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English language learners (ELL) is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the National Assessment of Educational Progress Web page at <http://nces.ed.gov/nationsreportcard/>. Note: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either the LEA or the individual school. Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. For example, the NAEP only assesses grades four, eight and twelve and for long-term trends assesses grades nine, thirteen, and seventeen. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. For example, the NAEP is not aligned with California academic content and achievement standards and, therefore, does not necessarily reflect the curriculum and instruction to which students are exposed in the classroom. The NAEP assesses reading and writing separately, while the CSTs assess English-language arts (ELA), encompassing reading as well as writing conventions, spelling, and grammar. Scores on the CSTs and other assessments are not directly comparable to those on NAEP. The averages and percentages presented are estimates based on samples of students rather than on entire populations. Finally, the questions students respond to are only a sample of the knowledge and skills covered by the NAEP frameworks. Information on the differences between NAEP and CST can be found on the CDE National Assessment of Educational Progress (NAEP) Web page at <http://www.cde.ca.gov/ta/tg/nr/>.

National Assessment of Educational Progress Reading and Mathematics Results by Grade Level – All Students

This table displays the scale scores and achievement levels on the National Assessment of Educational Progress Results for reading (2007) and mathematics (2009) for grades four and eight.

Subject and Grade Level	Average Scale Score		State Percent at Achievement Level		
	State	National	Basic	Proficient	Advanced
Reading 2007, Grade 4	209	220	30 %	18 %	5 %
Reading 2007, Grade 8	251	261	41 %	20 %	2 %
Mathematics 2009, Grade 4	232	239	41 %	25 %	5 %
Mathematics 2009, Grade 8	270	282	36 %	18 %	5 %

National Assessment of Educational Progress Reading and Mathematics Results for Students with Disabilities and/or English Language Learners by Grade Level – All Students

This table displays the state and national participation rates on the National Assessment of Educational Progress for reading (2007) and mathematics (2009) for students with disabilities and/or English language learners for grades four and eight.

Subject and Grade Level	State Participation Rate		National Participation Rate	
	Students With Disabilities	English Language Learners	Students With Disabilities	English Language Learners
Reading 2007, Grade 4	74	93	65	80
Reading 2007, Grade 8	78	92	66	77
Mathematics 2009, Grade 4	79	96	84	94
