Budget Considerations

DJUSD has a strong tradition of academic excellence and fiscal responsibility.

While State funding is increasing, it's not enough to pay for the current cost of our programs, services and required State and local expenditure increases.

The Board and administration are committed to increasing compensation to meet strategic goals, while balancing the budget and providing excellent programs and services.

May Budget Update

Slightly better than January Projection

- Local Control Funding Formula (LCFF) funding increased

DJUSD Projected LCFF Funding Change *	January Budget Proposal	May Budget Proposal

May Budget Update

Projected LCFF Growth & Expenditures

May Budget Update

Measure H cost inflator mitigates the future cost increases for tax funded programs

- Measure H Cost Inflator (California CPI; projected at 2.6% - 3.2%)
 - Can be adjusted for inflation for 2018-19 going forward
 - Rate set in June of the preceding fiscal year
 - Increase \$250,000 - \$300,000 of revenue annually to cover staffing cost increases in required costs for parcel tax funded positions
 - Statutory benefits
 - Step and Column

Board direction needed to include as official budget assumption
