EXECUTIVE SUMMARY

The Davis Joint Unified School District formed Davis Joint Unified School District Community Facilities District Number 1 (CFD #1) on June 1, 1990 for the purpose of financing new and improved school facilities within the District. CFD #1 was formed after receiving over two-thirds support from registered voters in a special election held on November 7, 1989.

This Report summarizes the fiscal year 2020-21 Special Tax, Method of Apportionment and other related data.

There are currently 19,161 total parcels in CFD #1, which includes both subdivided, non-subdivided parcels and tax-exempt parcels in both Yolo and Solano Counties. The total annual special tax to be collected within CFD #1 for fiscal year 2020-21 is \$5,924,712.64. Figure 1, on the following page, summarizes the current Special Tax data.

*The total tax and number of special tax units listed are the amounts submitted to the County Auditors (after any revisions for property changes). The total tax amounts reflect senior citizen and low income tax reductions. In order to comply with County Auditor levy submission requirements, all taxes are rounded

down to the even penny. Therefore, due to this rounding, the total tax listed above does not generally equal the tax units times the tax per STU.

[1] The decrease in Special Tax Units was due to parcel usecode changes by the County, as well as adjustments made to the Wild Horse Golf Course property.

[2] The decrease in Special Tax Units for 2008-09, and 2010-11 through 2013-14, was largely due to greater numbers of senior citizen reductions awarded than in the respective previous years, as well as additional parcels classified as nontaxable by the County.

TAX DETAIL BY PROPERTY TYPE

The following table summarizes the 2020-21 special tax levies by property type. In addition to presenting an analysis of levies collected from various types of property, this information is provided to bond-holders and is used for disclosure purposes. (The totals shown are not adjusted for senior citizen or low income reductions. The total given for exempt parcels includes nontaxable mobile home parcels in mobile home parks.)

DELINQUENCIES

As shown in Figure 7 below, delinquencies for CFD No. 1 were 0.79% of total special taxes levied for 2019-20 special taxes levied for parcels in Yolo and Solano Counties, combined. The District participates in the "Teeter Plan" with the Counties of Yolo and Solano whereby the Counties pay all delinquent special taxes to the District and in return the Counties institute collection proceedings and, when collected, keep all delinquent payments with interest and penalties. This plan allows the District to maintain reliable special tax revenues and reduces the cost of collection.

The District reviews the Counties of Yolo and Solano Tax Collector's public records annually by June 30 to determine the amount of special tax revenues and delinquencies during the fiscal year. If the amount of collections is less than 95% of the amount of special tax levy in such fiscal year, the School District has covenanted with bondholders to institute foreclosure proceedings not later than October 31 to enforce the lien against delinquent installments. The District is also obligated to institute foreclosure proceedings in the case of a single property owner who is delinquent by more than \$25,000.

ADMINISTRATION OF COMMUNITY FACILITIES DISTRICT

GENERAL ADMINISTRATIVE REQUIREMENTS

The Mello-Roos Community Facilities District Act of 1982 (the Act) requires that a Special Tax Report be prepared annually to identify the Special Tax Rate for all parcels to be assessed in the upcoming fiscal year. The levy data must subsequently be filed with the County Auditor prior to the second Tuesday in August for inclusion on property tax bills.

After submission of the Special Tax levies, the final levies should be confirmed with the County Auditor prior to the preparation of tax bills, which typically occurs in October. The Special Tax is collected in two equal installments on the tax bills that are due on December 10 and April 10.

DELINQUENCY PROCEDURES

As noted, the District is participating in the County of Solano and County of Yolo Teeter Plan, so the delinquent revenues are prepaid by the Counties. The delinquency rate for the 2019-20 special tax levies was 0.79% for Yolo and Solano Counties, combined. Since no property owner is currently delinquent by an amount in excess of \$25,000, and the delinquency rate on the special taxes is below the 5% threshold the bond covenants, there is no requirement to commence foreclosure proceedings at this time. Moreover, the special taxes are anticipated to remain on the Teeter Plan.

NOTICES OF SPECIAL TAX LIEN

The Act states "For purposes of enabling sellers of real property subject to the levy of special taxes to satisfy the notice requirements of subdivision (b) of Section 1102.6 of the Civil Code, the designated office, department, or bureau shall furnish a Notice of Special Tax to any individual requesting the notice or any owner of property subject to a special tax levied by the local agency within five working days so receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars." A copy of this notice is included in Appendix B of this Report.

In addition, any developer, subdivider or his or her agent or representative shall not sell, or lease any property subject to the Special Tax until the prospective purchaser or lessee has been furnished with and signed a written notice of special tax lien similar to that shown in Appendix B of this Report.

This notice is designed to clearly and accurately provide information about the special tax and the levy for the subject property.

SCI Consulting Group has developed a custom software system that will look up any property in the District and, among other functions, prints customized notices of special tax lien. This software is included as a standard component of our administrative services.

REPORTING REQUIREMENTS

PUBLIC INFORMATION

Property owners and other interested persons can obtain information regarding special tax levies and other information by contacting the District or SCI Consulting Group at telephone number (800) 273-5167. The telephone number for SCI Consulting Group is also included with property tax bills.

ASSESSOR AND AUDITOR FILING AND REPORTING

Pursuant to the Act, all special tax levies for the upcoming fiscal year must be filed with the County Auditor by August 10. In addition, the Mello-Roos Community Facilities Annual Report must be filed within 120 days after the last day of the fiscal year. The report and special tax levies will be submitted and confirmed for the fiscal year 2020-21.

CDIAC REPORTING

Article 53359.5 of the Act stipulates that any bonds sold on or after January 1, 1993 must provide the California Debt and Investment Advisory Commission (CDIAC) with annual reports not later than October 30, including the following information:

1. The principal amount of any bonds outstanding.
2. The balance in the bond reserve fund.
3. The balance in the capitalized interest fund, if any.
4. The number of parcels which are delinquent with respect to their special tax payments, the amount that each parcel is delinquent, the length of time that each has been delinquent, and when foreclosure was commenced for each delinquent parcel.
5. The balance in any construction funds.
6. The assessed value of all parcels subject to the special tax to repay the bonds as shown on the most recent equalized roll.

As noted, CDIAC reports are prepared annually.

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

The tax listed for each parcel on the tax roll was computed at the following rates per Special Tax Unit for each parcel in CFD #1 existing as of July 1, 2020:

(2) If property not otherwise exempt from a special tax levied pursuant to this chapter is acquired by a public entity through a negotiated transaction, or by gift or devise, the special tax shall, notwithstanding Section 53340, continue to be levied on the property acquired and shall be enforceable against the public entity that acquired the property.

(3) If property subject to a special tax levied pursuant to this chapter is acquired by a public entity through eminent domain proceedings, the obligation to pay the special tax shall be treated as if it were a special annual assessment. For this purpose, the present value of the obligation to pay a special tax to pay the principal and interest on any indebtedness incurred by the district prior to the date of apportionment determined pursuant to Section 5082 of the Revenue and Taxation Code shall be treated the same as a fixed lien special assessment.

- J. Non-Governmental tax exempt uses: property which is exempt by law from ad valorem taxes will not be taxed except as otherwise provided herein.
- K. Unbuildable: parcels defined by the Assessor as unbuildable will not be taxed.
- L. Senior Citizen Reductions. A property owner has the option of annually applying for a senior citizen tax reduction which will exempt the property from fifty percent (50%) of the special tax if all of the following conditions exist:

 - (2) The property owner provides evidence of ownership of the property.
 - (3) The property owner's application is filed and qualifies annually. Filing of the application shall be made between May 15 and June 15 annually.
 - (4) The exemption is only for the primary residence of the applicant property owner. All other residences owned by the property owner are subject to the full tax.
- M. Low Income Housing Tax Exemptions. A property owner has the option of applying for a low income housing tax exemption from the special tax if all of the following conditions exist.
 - (1) The property owner provides evidence that the dwelling unit(s) constitute(s) low income housing under either of the following categories.
 - (a) A low-rent housing project within the meaning of Section 214 (g) of the California Revenue and Taxation Code owned by a non-profit tax exempt corporation that qualified under Sections 501 (c) (3) or 501 (c) (4), of the

Internal Revenue Code of 1986, as amended or a non-profit corporation organized under Section 7110 of California Corporations Code, or

- (b) A limited equity cooperative defined by California Health & Safety Code Section 33007.5.
- (2) The property owner provides evidence of ownership of the property.
- (3) The application is filed and qualifies annually. Filing of the application shall be made between May 15 and June 15 annually.

III. MAXIMUM SPECIAL RATES.

- A. Maximum Rate: the Maximum Special Tax Rate for all Taxable Property is \$67 per STU per year in Fiscal Year 1990-91.
- B. Annual Escalation: the Maximum Rate shall be subject to annual increases of, not to exceed, a maximum of \$4.63% per year, compounded.

IV. METHOD OF APPORTIONMENT.

No later than the first Board meeting in July of each year, all Taxable Property in the District shall be categorized and assigned its appropriate number of STU and shall be subject to levy of the special tax according to the rate and method of apportionment contained herein. The School District shall determine the total amount of special tax required for the fiscal year to pay for the authorized costs and expenses of the CFD. The authorized costs and expenses of the CFD include all those set forth in the Act, and all costs necessary to administer the bonds, collect and administer the special taxes, and administer the CFD. They include funds not only to pay current debt service on the bonds, but also to accumulate funds for future debt service, to pay amounts delinquent on the bonds (or to become delinquent based upon past special tax delinquencies), to replenish the reserve fund to its proper level (or to reimburse payment to be made from the reserve fund based upon past special tax delinquencies), to pay directly for any authorized facilities or to accumulate funds for that purpose. Special tax proceeds are managed in such a fashion as not to cause the bonds to become arbitrage bonds under the Tax Reform Act of 1986.

The tax levy on each parcel within the CFD shall be the same percentage of its maximum tax. The percentage shall be calculated to be the percentage which will just raise the amount of special tax required.

V. LIMITATIONS AND REDUCTIONS.

The Board shall not impose a special tax on exempt property as determined to be exempt by the Board. In the event that exempt status should change for any property, the property would then be classified as Taxable Property. (Once a property has been classified as Developed Property, it may not be reclassified as any other property.)

VI. APPEALS AND INTERPRETATION PROCEDURE.

Any Taxpayer claiming that the amount or application of the special tax is in error may file a notice with the District appealing the levy of the special tax. The Superintendent or designee will promptly review the appeal and, if necessary, meet with the applicant and decide the appeal. If the findings of the Superintendent or designee verify that the tax should be modified or changed, the special tax levy shall be corrected and, if applicable, a refund shall be granted. Any dispute over the decision of the Superintendent or designee shall be referred to the Board and the decision of the Board shall be final.

Interpretations may be made by Resolution of the Board for purposes of clarifying any vagueness or uncertainty as it relates to the application of the special tax rate, or application of the method of apportionment, or the classification of properties or any definition applicable to the CFD.

VIII. COLLECTION OF SPECIAL TAX.

The special tax shall be collected each year upon the applicable assessor's parcels in the CFD in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties, procedures, and lien priorities in the case of delinquency as is provided for ad valorem taxes. The School District shall cause the actions required above to be done for each Fiscal Year in a timely manner to assure that the schedule of the special taxes to be collected are received by the Auditors of the Counties of Yolo and Solano for inclusion with billings for such ad valorem taxes for the applicable Fiscal Year. The special tax shall be levied and collected only so long as it is needed to pay the principal and interest on debt incurred in order to acquire and/or construct the facilities of the CFD, or so long as it is needed to pay the costs and incidental expenses of the construction of facilities authorized.

IX. CLAIMS FOR REFUND.

All claims for refund of special taxes collected by Yolo or Solano Counties on behalf of C.F.D. No. 1 shall be filed with the Superintendent of the District no later than one year after the date of the special tax has been paid to the County. The claimant shall file the claim within this time period and the claim shall be finally acted upon by the Board as a prerequisite to the claimant bringing suit

thereon. Pursuant to Government Code Section 935(b) the claim shall be subject to the provisions of Govt. Code §§945.6 and 946.

The governing board of the District acting on its own behalf and on behalf of C.F.D. No. 1 shall act on a timely claim within the time period required by Govt. Code §912.4.
