

Davis Joint Unified School District

PESTICIDE LIST 2019-2020

According to the Healthy Schools Act of 2000, the District is required to notify all parents of the following:

--If you wish to receive prior notice of individual pesticide applications at school facilities you may register your e-mail address with the Maintenance & Operations Department. Call 530-757-5385 or e-mail your name, address, phone number and e-mail address to maintenance@djud.net.

--For more information on pesticide use reduction please visit the California Department of Pesticide Regulation's School IPM Program Web site (<http://www.schoolipm.info>).

Following is a complete list of all pesticides that might possibly be used in the upcoming school year. A copy of this list may be obtained at the Maintenance & Operations Department (530-757-5385) or by e-mailing maintenance@djud.net. A complete record of each site's pesticide applications is maintained on file in each site office.
