Date of workshop/hours:

Targeted audience:

Funding impact:

Area of Alignment to Goals	Not Appropriate for all DJUSD staff	Not Clear; May be appropriate for some staff	Approval Ready
Explicitly addresses: 21st Century Teaching and Learning; Closing of the Achievement Gap; Safe/Inclusive Environments			
Is designed to principally address unduplicated students and be to the benefit of other students (targeted universalism)			
There are clear outcomes and focus; this will result in effective instruction and/ or build more social emotional learning.
