## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2018-19)

Fred T. Korematsu Elementary School at Mace Ranch is the newest elementary to serve students in the Davis Joint Unified School District. The school opened in 2006 serving kindergarten and first grade and has expanded to serve TK through 6th grade for the 2014-2015 school year. Korematsu in 2008 expanded to a full K-6 configuration. Currently, Korematsu serves TK to 6th and has approximately 508 students. The school is a social justice school focusing on anti bias standards along with the State mandated Common Core standards. For more information regarding programs please visit our website: <http://korematsu.djUSD.net/>.

We are supported by a very strong community commitment and receive annual services from the community parcel tax. These services range from library, science, strings and band programs, to name a few. We are also supported by a very strong and committed PTO, which is in its 10th year of fundraising and averages 40K alone in the Auction. The PTO provides classrooms with extra instructional support, field trips, enrichment programs, and community events.

It is the mission of Korematsu Elementary School to provide excellence in education to a changing population by nurturing and developing the natural curiosity that each student brings to our community. We believe that every student wants to learn and that the diversity of our school population is a strength that supports greater understanding and respect. Korematsu's goal is that students, staff and parents build pro-social skills through an inclusive environment that is socially just and equitable to ensure ALL students are prepared for an every changing world. We are creating a school of Equity and Excellence.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	68.0	71.0	69.0	70.0	48.0	50.0
Mathematics (grades 3-8 and 11)	66.0	68.0	64.0	66.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	273	262	95.97	70.61

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## School Safety Plan (School Year 2018-19)

The school has a comprehensive safety plan, approved every Fall of each year by the site council. The plan is a comprehensive document reviewing all procedures and protocols as mandated by federal and state laws and guidelines. We practice two safety week drills throughout the year, one in the fall and one in the spring. These are all planned week long drills. Procedures are in place at the site in the event of a natural or man-made disaster. The procedures address student safety, supervision, facility monitoring and parental notification. The school's Crisis Response Plan is available for review in the main office some of the components include the following: Crisis/Disaster Leader in each building/wing w/ walkie-talkie Each classroom provided w/ red emergency backpack w/ walkie-talkie and emergency supplies Systems and Disaster Response folders and charts in each classroom Practice of disaster drills monthly and quarterly The following conditions provide Korematsu students with a safe school environment before, during, and after school: Before-school supervision provided by yard duties beginning at 8:10 a.m. Recess and lunch period supervision provided by yard duties and para-educators Visitors and parents are required to check-in at the office prior to accessing the classrooms Students arriving late or leaving early must be processed through the main office

Climate: We have a climate committee that meets four times a year. The school collects data through our yearly climate survey. We focus on areas of improvement based on the feedback from the survey. We also promote and follow the district's climate policy. We focus on social justice traits monthly and behavior goals. We have a counselor 3x a week who pushes in and presents classroom instruction for students in the area of conflict resolution, self-esteem, empathy, self-regulation, child development. The counselor also runs small friendship groups and 1:1 counseling sessions. We hold every year the Fred T Korematsu Day of Civil Liberties and the Constitution to honor our school's namesake and remind students of the importance of our civil liberties.

**Professional Development (Most Recent Three Years)**

Davis Joint Unified School District focuses our professional growth system on our mission and objectives with priority given to social emotional intelligence, differentiated instruction, inquiry based instruction, implementation of the Common Core State Standards, closing the achievement and opportunity gap, as well as the formative assessment process. These focus areas were developed through the Strategic Plan and Local Control Accountability Plan goals along with teacher surveys and Principal feedback to ensure relevancy and meaning for our community.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff has opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade level/content peers through Common Core Collaboration Grants and collaboration is built into all professional development sessions. Davis Joint Unified School District also has instructional coaches that provide professional growth opportunities with model lessons, collaborative planning and in context learning. Examples of recent Davis Joint Unified School District professional learning include:

- Site developed training (TK – 12) based upon needs articulated by staff, parents, and students to meet specific needs and goals. Sites develop professional growth with the support of outside expertise, district leadership, and staff.
- UC Davis Mathematics Project Teacher Leadership program (K-12) trained math teachers, instructional coaches, and some administration in the Common Core State Standards and progression of mathematical practices.
- Davis Joint Unified School District (7-12) Articulation breakout sessions by department where teacher experts lead and facilitate learning as well as keynote speakers addressing priority topics.
- English Language Development Series promoted by the County Office of Education to dissect the implementation and purpose(s) of the new English Language Development Standards.
- Yolo County Mental Health First Aid
