## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2018-19)**

The mission of North Davis Elementary School is to provide a working and learning environment in which every member of the school community thrives academically, socially and emotionally. Mutual respect, high expectations and joy for working and learning are the foundation for all we do. Students, parents, school staff, and community members work together, at school and at home, to achieve maximum growth and development for each child. We value a school setting in which all members demonstrate awareness and caring for the well-being of each individual, our school, our community and the world beyond, now and in the future. North Davis Elementary School is characterized by a strong feeling of community. All school staff, parents, and children enjoy working, learning, and playing together in an atmosphere of trust, mutual respect, and support.

Our site is located in the heart of Davis near the University of California, the county library, the Veterans' Memorial Building, Davis Senior High School, the Davis Art Center, Community Park, and Rainbow City Play Park. These nearby facilities provide enrichment opportunities for students. Our facilities are attractive and clean and were modernized in 2004–2005. Sarah Roseen has been the principal of North Davis Elementary for 3 years. Our school leadership team includes teacher representatives from each grade level. This group meets monthly to discuss concerns and to plan meeting agendas.

The teaching staff is talented and dedicated and makes sure classrooms are nurturing and academically challenging. Parents are an integral part of the school program. We attempt to involve all families in our school and we celebrate the diversity of our school population. Teachers on our site participate in school decision making on a regular basis. The School Site Council (SSC) and the Parent Teacher Association (PTA) meet regularly on a monthly basis. Our English Language Advisory Committee (ELAC) meets twice a year. We keep parent leaders informed about the school in person and via the school newsletter. We openly welcome input and ideas from parents, staff, students, and community members. The school's annual plan is reviewed and approved by our SSC, a group composed of five parents and five school staff members.

The PTA organizes activities to unify the school community and support students' educational experiences. The group raises funds to enrich the educational program for all students. More than 50 percent of North Davis families are members of PTA. The ELAC advises the district and school sites on matters pertaining to the instruction of English learners. Parents and are highly visible on our campus and participate in every facet of our programs.

The district tests all third graders to determine eligibility for the GATE program. A GATE program for fourth through sixth grade students is available at regional school sites. For GATE students who remain in neighborhood schools, classroom teachers provide individualized instruction through open-ended assignments, grouping within and across classrooms, and individual assignments. These strategies provide greater challenge, depth, and complexity.

To become more involved in our school, please contact our principal, Sarah Roseen, at (530) 757-5475.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	71.0	76.0	69.0	70.0	48.0	50.0
<b>Mathematics (grades 3-8 and 11)</b>	68.0	73.0	64.0	66.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	345	318	92.17	76.42

Students with Disabilities	42	42	100.00	38.10
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### School Safety Plan (School Year 2018-19)

Davis schools strongly emphasize student and staff safety. The School Site Council (SSC) reviews, updates, and approves our emergency plan annually. We place crossing guards at nearby crosswalks. We hold regular fire, earthquake, and disaster drills. Students have access to clean, safe facilities, and staff members check playground equipment for safety on a regular basis. Our maintenance staff uses a preventive program to offset costly repairs. The school nurse instructs the staff in ways to support children with allergies and asthma. Committees of parents and staff ensure that we are maintaining a positive school climate. Our school climate committee meets prior to our SSC meeting which consists mainly of our SSC membership.

### Professional Development (Most Recent Three Years)

Davis Joint Unified School District focuses our professional growth system on our mission and objectives with priority given to social emotional intelligence, differentiated instruction, inquiry based instruction, implementation of the Common Core State Standards, closing the achievement and opportunity gap, as well as the formative assessment process. These focus areas were developed through the Strategic Plan and Local Control Accountability Plan goals along with teacher surveys and Principal feedback to ensure relevancy and meaning for our community.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff has opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade level/content peers through Common Core Collaboration Grants and collaboration is built into all professional development sessions. Davis Joint Unified School District also has instructional coaches that provide professional growth opportunities with model lessons, collaborative planning and in context learning. Examples of recent Davis Joint Unified School District professional learning include:

- Site developed training (TK – 12) based upon needs articulated by staff, parents, and students to meet specific needs and goals. Sites develop professional growth with the support of outside expertise, district leadership, and staff.
- UC Davis Mathematics Project Teacher Leadership program (K-12) trained math teachers, instructional coaches, and some administration in the Common Core State Standards and progression of mathematical practices.
- Davis Joint Unified School District (7-12) Articulation breakout sessions by department where teacher experts lead and facilitate learning as well as keynote speakers addressing priority topics.
- English Language Development Series promoted by the County Office of Education to dissect the implementation and purpose(s) of the new English Language Development Standards.
- Yolo County Mental Health First Aid
- Restorative Practices
- Staff Book Groups on Mathematical Practices, Coaching Strategies, and impact of trauma (ACES)
