# School Site Plans

- Site By Site
- Local Plans for Local Needs
- Multiple Faculty
- Best Practice Piloting

# Future Challenges

- Determine District-wide Best Practices
- Provide Professional Development
- Create Better Guidelines
- Identify Best Resources

## Discussion

1. What do you think are the most important DC skills for our students to learn?
2. What school site/ community information have you already received?
3. How should we proceed?
